

Equilibrium
restore the body's balance

We are delighted to announce the arrival of CACI, which is the original and most advanced computer aided face toning treatment available, backed by 20 years of medical research and used by many famous people to re-educate muscle fibres and improve skin texture. Results are apparent after one treatment with softening of lines and wrinkles and lifting the face however a course of 10 is recommended to give long lasting results with maintenance every 4-6 weeks. Reductions for courses booked and paid for in advance are available upon request.

CACI Ultimate Anti-Ageing Treatment

This treatment will leave you with smoother, lifted, plumped and more hydrated skin. Incorporating microdermabrasion, the non-surgical facelift, wrinkle comb with L.E.D light therapy and the hydratone mask this is the ultimate CACI treatment.

CACI Non-Surgical Facelift

This treatment gently lifts, tightens, tones and re-educates the facial muscles whilst smoothing the appearance of fine lines and wrinkles. Skin is beautifully re-hydrated whilst tone and texture is improved leaving the skin with a wonderful glow and a firmer more supple appearance.

CACI Hydratone Treatment

An intensive skin hydration and face firming treatment, using a mask infused with collagen, hyaluronic acid and Vitamin C & E. The skin is cleansed and exfoliated before the mask is applied. Dehydrated and environmentally damaged skin is quenched, whilst deep lines and wrinkles are plumped out, leaving the skin looking radiant, softer and more youthful.
