### A few things to think about before your practice consultations:-

- Is the wedding going to be formal or informal?
- Can I get a picture of the wedding dress to take to my consultations?
- What is the colour scheme of the wedding?
- What colour and style is my bridesmaids dress? (bring a sample of material if possible)
- What time is the wedding? How long will it take me to get to the church/venue?
- Will I be able to come into the salon for my hair and make-up or do I need someone to come to me?
- How many of us in the bridal party require hair and make-up?

*A trial practice for both Hair and Make-up are advisable before the occasion but do not necessarily have to be taken at the same time. Prices quoted are per person.*
